PO Box 42
Petoskey, MI 49770

Dear Brian,

I was very excited when I heard that the joint European launch of both the VA WOW Female Condom and inSpiral Male Condom is going forward as planned.

Please let me know how I can be of assistance in creating any papers, articles or quotes describing our efforts for presenting and promoting the VA wow Condom Feminine.

Best regards and good luck,

Gregory F. Rosen MD, FACOG
